

Boise ISSA Welcomes you!

We are pleased to extend a formal invitation to you to register for our upcoming event, the 24th Annual Information Security Conference, hosted by the Boise ISSA chapter on March 9, 2027, in the magnificent state of Idaho at Boise State University.

As the President of the Boise ISSA chapter, I, along with my Board, am proud to share that we have diligently worked to enhance this conference, adapting to the evolving needs of the cybersecurity community in the Treasure Valley. This year, we are excited to introduce new features, including specialized “villages” focused on mentoring and engaging activities such as a cyber escape room, designed to support those seeking to enter or transition within the cybersecurity field. Faculty from our local colleges and universities will be available to discuss degree and certification opportunities. There will also be presentations from graduate students showcasing innovative cybersecurity research.

Our conference typically attracts 250-300 participants, accompanied by 20-25 sponsors and keynote addresses from recognized industry leaders. These gatherings offer invaluable opportunities for networking and information-sharing, fostering professional growth within our community. We are delighted to return to Boise State University this year, providing us with a larger venue for participants, speakers, and sponsors alike.

We are fortunate to have secured the expertise of Rachel Zahn (communications@boiseissa.org) and Chelle Clements (treasurer@boiseissa.org), who will contribute to the planning and organization of this year’s event.

We sincerely hope you will join us for what promises to be an enriching experience.

Cheers – Lee Neely (president@boiseissa.org)

24th Annual Boise ISSA InfoSec Conference

Our conference is intentionally different – it’s about people growing and learning and connecting with one another.

We are bringing back a full day conference starting with a sponsored breakfast, a buffet lunch, snacks and a keynote sponsorship option – you, as a Rocky Mountain Sponsor, can own the lunch hour. Submit your swag talk to President, Treasurer or Communications, bring in that top level speaker, and you will own the lunch hour.

Check out our sponsorship packages for exciting À-La-Carte options which can be added to your sponsorship.
